Injoy Health Education is **ALWAYS** casting!
Stay current on our casting needs by following us!

We're also looking for parents to help with end-user testing to help improve our products. If interested, please email lflynn@injoyhe.com.

Who is InJoy?

InJoy has evolved over 30 years to inspire and empower health professionals, educators, and their communities toward greater health and well-being, by providing video-rich teaching solutions from pregnancy to early parenting that are optimized for classroom, one-on-one, and independent learning.

Learn more at InJoyHealthEducation.com

Families who film with InJoy have fun while they learn!

Participating families receive:

\$1000 for each complete birth story

OR

\$50/hour for all other video and photography projects

Talent credit for your resume

Helpful parenting tips and techniques for your family as you help teach other families

A professional video of you and your family to share for years to come

Empowering families together.
